- not engage in any form of academic dishonesty (academic dishonesty can lead to removal from IB)
- meet the expectations set forth by each class
- actively participate in class daily by being prepared, listening actively, offering relevant comments, posing insightful questions, taking notes etc
- work seriously to improve my writing skills, which involves writing, editing, revising, and asking for authorized assistance
- actively seek assistance and/or tutoring when having academic problems
- submit quality work in a timely manner, meeting all deadlines for internal and external assessments
- participate in credit recovery or summer sessions needed in order to complete any identified course deficiencies
- continue language acquisition in a second language during the diploma years (See language policy)
- take PreIB English I and II as well as PreIB Algebra II

I am willing to strive for attainment of the high standards required for this program. I will work to the best of my ability. I understand that if I do not meet the standards of the IB Diploma Program, either because of the quality of my work or because of my performance as a serious learner, I may be asked to withdraw from the program and to enroll in a course of study, which meets my level of performance.
