

Travis B. Bryan High School

Dear Parent/Guardian,

When we return from the break, Bryan ISD will introduce your child to Rachel's Challenge. This presentation celebrates the legacy of Rachel Scott, the first student killed in the Columbine High School shooting in 1999. Through the power of Rachel's own words and actions, our students will hear a moving message on kindness, tolerance and compassion. The mission of Rachel's Challenge is making schools safer, more connected places where bullying and violence are replaced with kindness and respect; and where learning and teaching are awakened to their fullest. And it works!

We are very excited to bring this to Bryan ISD, and believe it will have a profound impact on our secondary students and schools. Your child will hear this powerful message on January 10, 11, or 14. This presentation is being done at the Bryan ISD Performing Arts Center students will be bussed over then return afterwards back to campus.
